January 28 is the new date for Tribune Building meeting 4 which was “snowed out” last week. Please join us as priorities defined by the community will be revealed! This is the last meeting of Phase 1 Public Idea Gathering before we move ahead to Phase 2 Design and Construction.

On January 28, participants will:

- Explore how the community-defined priorities for re-use of the former *Daily Tribune* building will fit together in 20,000 sq ft of space.
- Review, acknowledge, and celebrate the hard work our community has done to-date.
- Learn what to expect in Phase 2 Design and Construction.

Everyone is welcome and encouraged to participate even if you did not attend earlier sessions. You will find previous meeting activities and decisions on the Resources page at [TribuneBuilding.org](http://TribuneBuilding.org).

Join the meeting on January 28 and help us get the word out! Feel free to bring a friend.
