

Family of Funds

Incourage believes the challenges that confront us can be solved – not by one person alone – but by a community. Together, we'll find the brightest ways to make the most impactful contributions to our area. And we couldn't do it without our donors and those who have established funds at Incourage.

On the following pages, you will find a list of individual funds established as of December 31, 2013. Each fund is a reflection of contributors who want to give a lasting gift to their community. We're available to help you with all aspects of your giving experience. If you have questions about becoming a donor or establishing a new fund, please contact Donor Services for more information. ►

Community Grants Funds

Community Grants Funds are also known as “unrestricted,” established by donors who wish to leave the distribution of grants to the discretion of Incourage Community Foundation’s Grants Committee. Unlike donor advised or designated funds, the donors do not specify certain organizations or causes as grant recipients.

Community Grants Funds allow Incourage to respond to local pressing and changing needs. The Grants Committee - comprised of community and Foundation representatives - reviews community opportunities and needs, as well as requests from local nonprofit organizations, in order to determine grants in the areas of health and human services, arts and culture, education, and community improvement - to name just a few.

Feeling Inspired?

Give for the Moment. For all our earnest talk about tomorrow, the fact is: We make our decisions today. We base our strategies for even the most forward-thinking philanthropy on the outlook and resources available right now. That's a handy rule of thumb to follow when you're searching your generous soul: What's right for me at this moment – and for my family? What can I afford? Where do I fit best, given my skills and aptitude?

Whether you're giving your savings, your time, or your talent, Incurage helps you maximize your gift.

Easy

Giving should warm your heart, not burden you with tax complexities and ongoing paperwork. We'll guide you carefully and easily through the process.

Effective

Your fund will share our knowledgeable staff, enjoy excellent financial management, and benefit from a closely monitored investment strategy.

Flexible

You may establish a fund that supports what you care about – charitable organizations or programs, the community's greatest areas of need, a broad field of interest, or a specific geographic area. Let us explain the many types of funds, and you decide what works best for you.

Permanent

Your charitable gifts are an investment – and we'll put them to good use as permanent funds in the community on your behalf. Your generosity will have a long lasting, positive impact.

Proactive

You don't have to wait to be asked. Plan a giving strategy in advance. Consult with our staff about how your gifts can be most effectively used and where you can make a real difference in your community.

We're available to help you with all aspects of your giving experience. If you have questions about becoming a donor or establishing a new fund, please contact Donor Services for more information.

**Please consider a gift
to Incurage in your will.**
