

Community For Us, By Us

Help make an impact in your community!

Wednesday, May 25

6:00 – 7:30 p.m.

McMillan Memorial Library-All Purpose Room

490 East Grand Avenue | Wisconsin Rapids

Join residents like you who value our community and want to make positive changes to impact its future. This will be the first in a series of meetings.

Over the next year, Wisconsin Institute for Public Policy and Service (WIPPS) will work with south Wood County residents to help drive positive community change. At this first meeting, residents will work together to identify community assets and values, and the challenges we face. By the end of the meeting, we will have a list of potential community issues where we could make positive changes.
