Join residents like you who value our community and want to positively impact its future. This is the second in a series of meetings.

At this meeting, attendees will select a priority issue to focus on for positive community change. Priority topics will be considered using the following criteria:

- *Which identified topic is achievable and has the most potential for impact?*
- *Do we have adequate, accessible resources we can utilize?*
- *Do we have balanced buy-in from community members?*
- *Do we need to do some homework and find out more about topic areas?*
