

Community For Us, By Us

Working toward positive community impact!

Monday, October 24

6:00 - 7:30 p.m.

McMillan Memorial Library - All Purpose Room
490 East Grand Avenue | Wisconsin Rapids

Join us Monday, October 24 for the next round of resident-led conversation on what we can do as community members to make an impact on where we live, work and play.

At the meeting, residents will:

- review learnings thus far, including the aquatics topic discussed in August;
- learn the benefits of and obstacles to participating in local decision-making processes; and
- determine next steps for the Community For Us, By Us project

Join your neighbors to make a difference!
