SUMMARY

What happened at the September 19, 2016 Tribune meeting?

Madeleine Beaubien Taylor, Ph.D., of Network Impact joined us to present results of the Tribune Participation Survey conducted earlier this year. Residents shared that because of their involvement in the Tribune process, 78% are more optimistic about the future of their community; 77% have an increased sense of pride in their community; and 72% have an increased sense of responsibility to do their part to make their community a better place to live.
