

Lesson 2

Area: Show Respect

Title: **Respectful Writing**

Objective: Students will create a group story on respect.

Materials: Lined Paper
Board or Overhead
Writing utensils

Activity:

1. Have “RESPECT” written on the board in two places. As students come in they can write words or phrases dealing with being respectful, starting each word or phrase with one of the letters of “respect.” Have one group for words and one group of phrases.
2. Break the students into groups of 4-5. Give each group a piece of lined paper. Tell the class the following: “Today you will be creating a story about respect. Each one of you will write one sentence and then pass the paper to the next person in your group. Keep passing the paper until I say stop.” Have students work for 6 minutes. Encourage students to use words from the board in their stories.

Closure: Students can share their stories with the class and discuss respect.
